Forward-Looking Statements

This presentation contains forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. In some cases, such forward-looking statements may be identified by terms such as believe, expect, seek, may, will, intend, project, anticipate, plan, estimate, guidance or similar words. Forward-looking statements involve risks, they include, among others, the following: the inherent uncertainty of estimating reserves and the possibility that incurred losses may be greater than our loss and loss adjustment expense reserves; inaccurate estimates and judgments in our risk management may expose us to greater risks than intended; the potential loss of key members of our management team or key employees and our ability to attract and retain personnel; adverse economic factors resulting in the sale of fewer policies than expected or an increase in the frequency or severity of claims, or both; a decline in our financial strength rating resulting in a reduction of new or renewal business; reliance on a select group of brokers and agents for a significant portion of our business and the impact of our potential failure to maintain such relationships; isosse resulting from reinsurance counterparties failing to pay us on reinsurance claims, insurance law and regulations; the ongoing effect of Public Law No. 115-97, informally tilted the Tax. Cuts and Jobs Act, which may have a significant effect on us including tax or insurance law and regulations; the ongoing effect of Public Law No. 115-97, there could be material adverse tax consequences to an investor that is subject to LS. federal income taxation; the organy of its foreign subsidiaries becoming subject to LS. federal income taxation; a failure of any of the loss limitations or exclusions we utilize to shield us from unanticipated financial losses or legal exposures, or other isbuffiles; losses free adverse exclusions and use or groups and the impact.

Non-GAAP Financial Measures

This presentation contains non-GAAP financial measures as defined by Regulation G of the rules of the SEC. These non-GAAP measures, such as underwriting profit, adjusted net operating income, tangible equity and adjusted net operating return on average tangible equity (which is calculated as adjusted net operating income divided by the average tangible equity for the trailing five quarters) are not in accordance with, nor are they a substitute for, GAAP measures. We believe these non-GAAP measures provide users of our financial information useful insight into our performance. Investors should consider non-GAAP measures in addition to, and not as a substitute GAAP equivalent GAAP measures. Please refer to pages 25 & 26 of this presentation for a reconciliation of the non-GAAP financial measures to the equivalent GAAP equivalents.

Overview

Our Strategy

We deliver consistent, top tier returns on tangible equity and generate sector leading value creation

- We are executing a clear growth strategy while maintaining superior underwriting margins and growing both non-risk fee and investment income
- We target niche low volatility casualty risks for our 'A' rated balance sheet, with low retentions and little property exposure
- We are focused on profitably growing our unique portfolio of new economy, excess and surplus and selected admitted risks
- We seek out new opportunities to meaningfully build fee income and increase the proportion of total company non-risk earnings
- We are optimizing investment returns, much of which are generated from niche strategies representing a small portion of our portfolio

PROFITABLE SPECIALTY UNDERWRITING

JAMES RIVER GROUP HOLDINGS, LTD.

Specialty Admitted Segment

- Specialty admitted insurance coverages in the US, including a growing fee income business
- Growing, transactional driven fee based fronting business
- Targeted book of workers' compensation risks
- Gross fee income of \$14.8MM in 2018 and \$3.8MM Q1 2019

A FOCUS ON FEE INCOM

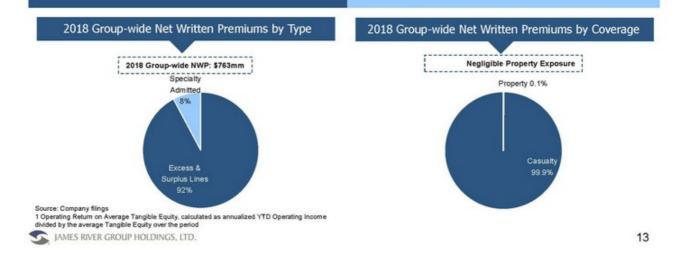

Casualty Reinsurance Segment

- Third-party proportional and working-layer excess casualty business focused on small and medium U.S. specialty lines
- Significantly downsized during 2018 to optimize group returns and structure; remains core to group
- 97% of the segment's Gross Written Premium consisted of E&S risks in 2018
- At December 31, 2018, 97% of third party treaties were written as quota share arrangements and 82% contained loss mitigation features to drive low volatility

LOW VOLATILITY UNDERWRITING

Franchise Overview

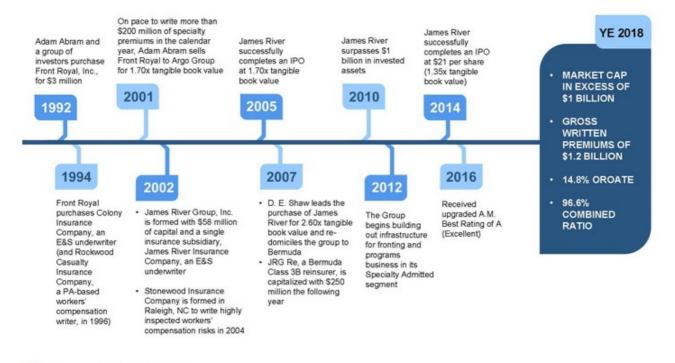

- · We are a specialty, low volatility underwriting company with a proven history of generating consistent profits
- Our key area of focus is small and medium sized commercial account Excess & Surplus Lines casualty business with \$1 million per occurrence limits and approximately \$20,000 average account premiums
- · We look to marry that with a growing fee business, through our fronting strategy within our specialty admitted segment
- Our niche workers' compensation and third-party casualty reinsurance businesses help provide attractive returns on capital
- We expect to deliver 12% or better operating returns on tangible equity for the 2019 fiscal year and a combined ratio of 94% to 97%

2018 result: 14.8% OROATE 1; Q1 2019 YTD result: 16.9% OROATE 1

Traditional Investment Approach Augmented by Higher Yielding Alternatives

Commentary

- Our investment portfolio consists of investment grade fixed maturity securities, selectively supplemented by non-traditional investments
- Examples of non-traditional investments we have made include:
- Participations in floating rate syndicated bank loans, generally senior secured loans with an average credit rating¹ of "B";
- Equity and debt investments in renewable energy project limited partnerships (~ \$39MM carrying value);
- Investment in a limited partnership that invests in the equity tranches of collateralized loan obligations (CLOs)
- Weighted average credit rating¹: "A+"
- Negligible exposure to equity markets or correlated equity market exposure
- Per S&P, or an equivalent rating from another nationally recognized rating agency; credit ratings of fixed maturity securities, bank loans and redeemable preferred stocks as of March 31, 2019. 2019
